Chris,

We received the following Freedom of Information Request from the individual below and are planning to respond. As we have the information electronically I do not believe there should be any charge in providing the requested information. Please feel free to contact Jack or myself if you have any questions.

Thanks,

Neil

Hello Neil,

Thank you for speaking with me this morning.

I would like to request copies of the responses prepared by the City of New Haven and the Greater New Haven Water Pollution Control Authority to recent requests for information about the recurrent flooding in downtown New Haven including flooding into Temple Street and Under Air Rights Parking Garages.

Your attention to this matter is greatly appreciated.

Sincerely,

Gerald Valentine, MD
